

## Han B Base Surface HC 2 Levers 2 x M32

Image is for illustration purposes only. Please refer to product description.

|               |                                        |
|---------------|----------------------------------------|
| Part number   | 19 30 016 0272                         |
| Specification | Han B Base Surface HC 2 Levers 2 x M32 |

### Identification

|                          |                         |
|--------------------------|-------------------------|
| Category                 | Hoods/Housings          |
| Series of hoods/housings | Han <sup>®</sup> B      |
| Type of hood/housing     | Surface mounted housing |
| Type                     | High construction       |

### Version

|                            |                                                   |
|----------------------------|---------------------------------------------------|
| Locking type               | Double locking lever                              |
| Han-Easy Lock <sup>®</sup> | Yes                                               |
| Size                       | 16 B                                              |
| Version                    | Side entry                                        |
| Cable entry                | 2x M32                                            |
| Field of application       | Standard hoods/housings for industrial connectors |

### Technical characteristics

|                                        |                 |
|----------------------------------------|-----------------|
| Limiting temperature                   | -40 ... +125 °C |
| Degree of protection acc. to IEC 60529 | IP65            |
| Type rating acc. to UL 50 / UL 50E     | 4               |
|                                        | 4X              |
|                                        | 12              |

### Material properties

|                         |                      |
|-------------------------|----------------------|
| Material (hood/housing) | Aluminium die-cast   |
| Surface (hood/housing)  | Powder-coated        |
| Colour (hood/housing)   | RAL 7037 (dust grey) |

Pushing Performance

## Material properties

|                                                            |                                                           |
|------------------------------------------------------------|-----------------------------------------------------------|
| Material (seal)                                            | NBR                                                       |
| Material (locking)                                         | Polycarbonate (PC)<br>Stainless steel                     |
| Colour (locking)                                           | RAL 7037 (dust grey)                                      |
| Material flammability class acc. to UL 94 (locking levers) | V-0                                                       |
| RoHS                                                       | compliant                                                 |
| ELV status                                                 | compliant                                                 |
